

EMPLOYMENT OPPORTUNITY

DERlab is the association of leading laboratories and research institutes in the field of distributed energy resources equipment and systems. The association develops joint requirements and quality criteria for the connection and operation of distributed energy resources (DER) and strongly supports the consistent development of DER technologies.

For our office in Kassel (remote only is not an option) we offer a part time position

PR & Communications Manager

Job related tasks:

We are looking for a person who works independently, is goal- and innovation-oriented and will develop, propose and execute efficient PR strategies. The candidate will develop and maintain PR-related content such as press releases, news, company collateral and relevant sections of the company portal, website, blog, etc., will participate in and support all other related activities in line with the overall Communication and PR strategy.

Your profile:

Professional Requirements: University degree in Marketing, Communications, Advertising or Journalism.

Key competencies:

- High flexibility and ability to work to deadlines, while balancing conflicting demands and priorities
- Strong communication and presentation skills
- Confident handling of PR tools like Adobe InDesign, Wordpress, Social Media Platforms, etc.
- Fluency in English and also in German (both mandatory)
- Interest in smart grids and distributed energy resources
- Project management proficiency
- In addition, you are characterized by an analytical, systematic way of thinking, a pragmatic way of problem solving.

Remuneration:

DERlab offers an international and creative work environment. The remuneration offered is according to the German TVöD Bund. This position is offered part time, is initially limited to two years with the possibility for extension. Working hours will be individually agreed.

Application deadline: 15.09.2022

Applications including motivation letter, CV and certificates can be submitted to:
Dr. Diana Strauss-Mincu, jobs@der-lab.net .
